## Welcome to our newest TV Chapter Members

Paul Bream, Anton Litchfield, Joe O'Kelley and  
Jerry Richards Jr.

## Chapter Meetings at Prime Time Sports Bar & Grill

are once again being scheduled for the third Tuesday of the month, however at this time attendance is limited. Contact Shelley Kind at 503-522-8723 if you would like to be added to the list for attendees. Hopefully with the risk level going down we can get the whole room if there is enough interest.

## We are close to having enough vouchers to purchase the Watch For Wildlife license plates. Once the plates are

available for purchase, each set of plates will provide \$31.50 for habitat connectivity and passageway projects, and \$35 to fund habitat projects.

Vouchers for the plates can be purchased directly through ODF. Visit OWF's website for more information,

**Guest Speaker Lora Baker** is the new Archery Education Instructor for ODFW. One of the tasks that Lora is charged with is the creation and launch of archery programs and workshops across Oregon. They work closely with the National Archery in Schools Program (NASP) One of the things that she does is to go in and train the teachers in schools on how to teach the program. They are starting a new program to teach archery skills to adults and it's a two day class that teaches you the basics of archery and how to hunt, what the vitals are, know your target, siting in your bow, shooting from blinds and different positions. Look on ODFW website under volunteer opportunities.

It is new but great things are coming soon like the ability to take the practical test to get certified so you can archery hunt in other states. Mini pop up seminars on archery, rifle & shotgun skills. They are looking for archery skills volunteer instructors if you are interested contact **[lora.l.baker@odfw.oregon.gov](mailto:lora.l.baker@odfw.oregon.gov)** **503-947-6076**
